A screenshot of the Auslogics BoostSpeed 8 software interface. The window title bar shows "Auslogics BOOSTSPEED 8" and "Support available 24*7 toll free for US and Canada". The main interface has a dark theme. A prominent red banner at the top reads "Your PC's condition is POOR" with "Last scan: 01/09/2015 12.01.02". A white modal dialog box is centered on the screen, displaying the Auslogics BoostSpeed logo, the text "AUSLOGICS BOOSTSPEED VERSION 8.0.2.0", a green checkmark icon, and the text "PROGRAM REGISTERED". Below this, there is a link that says "Enter a new license key". The background interface shows various system health metrics, including "198 issues found" and "OS Advisor" suggestions. The bottom of the window has navigation buttons for "Backups", "Update", "Settings", and "Send feedback".
